policy. The Vacation Planning Fee will be credited towards a future trip in the case of a cancellation due to force majeure.

3. TRAVEL & MEDICAL INSURANCE

CST highly recommends that any person traveling internationally obtain travel insurance. Most insurance companies will offer package or comprehensive policies that include coverage for trip interruption, trip cancellation, medical emergencies, emergency medical transportation and travel accidents, among other things. Most package insurance policy rates range from 5 to 8 per cent of the total cost of the trip. Some companies offer "Cancel for Any Reason" policies available at an additional cost.

As with any contract, we recommend getting detailed information on the policy or policies that you are considering for purchase and to make sure you have read and understood what is included in the fine print.

CST also strongly recommends that participants verify that their medical insurance covers them on their trip and if it does not, that they obtain sufficient and satisfactory insurance for the entire time of their trip.
